To our Valued Customer:

We would like to take this opportunity to familiarize you with a number of important changes regarding your Pennsylvania *Masterpiece*® premium. The changes outlined below will affect upcoming Pennsylvania renewal policies.

•Premier Client Discount

Clients that have been loss-free and have tenure with Chubb Personal Insurance are among our most valuable customers. As such, we've introduced a new premium discount, the **Premier Client Discount**, which recognizes that you have a choice each year when your policy renews. This discount applies to residences that are loss free and have been insured by Chubb for at least three or more years. The discount applies to every Pennsylvania home listed on your policy, even secondary locations, and can deliver savings of **up to 10%**. For an existing homeowners insurance customer of Chubb Personal Insurance, we offer a discount for homeowners coverage on a newly acquired location of **up to 5%** off the premium, when the dwelling and/or contents are also insured by Chubb Personal Insurance.

•Homeowner Claims Surcharge

Your policy premium may be increased due to a Claims Surcharge that will be added to a condominium, cooperative or renters location based on the number of non-catastrophe claims paid on or after December 12, 2011. The surcharge will be applied for three years after the claim has been paid, beginning with the next renewal.

•Building Security Protection and Building Fire Protection Discounts

You may be entitled to a **5%** discount on your Condominium, Cooperatives, and Renters coverage if your residence meets specific criteria. Please contact your agent or broker for further details.

We hope that your policy provides you with the coverage and services you deserve and have come to expect from Chubb. For more detailed information about your coverage, please reference your policy materials. If you have any questions, your agent or broker is always the best source of information and advice.
