

## CHUBB COLLECTOR CAR INSURANCE

*from Chubb Personal Insurance*

### FOR VIRGINIA

#### Virginia Coverages and Features

- **No mileage restrictions.** Our policy does not limit coverage for hobby use of your vehicle in collector activities, exhibits and parades. No annual mileage statements are necessary.
- **Worldwide coverage for newly acquired collector autos.** Coverage automatically extends to a new collector car you buy anywhere in the world for up to 30 days from the date of purchase. The additional coverage is limited to the new car's verifiable purchase price, and additional premium will be charged from the date of purchase.
- **Off-premises coverage.** Protection from covered losses that occur while your car is located at the repair or body shop.
- **Agreed value.** The value of your car is determined at the time you purchase your policy. If a covered total loss occurs, that's the settlement you will receive, with no deduction for depreciation and no deductible.
- **Choice of body shop.** Chubb allows you to choose the facility that will repair your car after a covered loss.
- **Coverage for trailers.** \$3,000 physical damage coverage is included for unlisted trailers. A \$250 deductible applies. Higher limits are available for higher-valued trailers for an additional premium charge.
- **Fair replacement on parts.** If you experience a covered loss, we'll help you to properly restore your vehicle to its pre-accident condition and authenticity.
- **Transportation expenses.** Temporary transportation expenses of up to \$600 are covered, including expenses for rental reimbursement in the event of a covered loss.
