CHUBB®

Dear Valued Partner:

The Louisiana Citizens Property Insurance Corporation has issued a change for the Louisiana Fair Plan Emergency Assessment for 2017. The rate will be decreased from 2.93% to 2.52%.

New line and renewal homeowner policies insuring Louisiana locations with policy effective dates of January 1, 2017 through December 31, 2017 will be assessed with the new surcharge percentage. Additionally, the surcharge will apply to **all endorsement transactions** on policies with effective dates of January 1, 2017 through December 31, 2017.

The surcharge is not considered premium, so it is not subject to premium taxes, commission, service fees or other charges. Customers will be notified of the surcharge change via a policyholder letter. The surcharge is shown on the Premium Summary, which is attached to the policy.

For more information, please contact your Chubb underwriter or marketing specialist. We value your continued support, and thank you for partnering with Chubb.

Sincerely,

Chubb Personal Risk Services
