CHUBB®

Dear Valued Partner:

We are excited to announce a new Portfolio Discount – Home with Auto in the state of New Jersey. This change will impact new business issued and effective August 14, 2017 and later and renewals effective September 28, 2017 and later.

Customers may be entitled to a 10% discount on their New Jersey *Masterpiece* Homeowners policy when they also have a good standing, active Personal Automobile policy with one of our affiliated companies. To be eligible for this discount, the residence must not be seasonal, secondary or rented to others. If the residence is a house, the house must have Contents coverage listed on the policy. The Automobile policy must have at least one private passenger vehicle with Physical Damage coverage, garaged in the state of New Jersey at that location. If multiple residences are insured, this discount applies only to the primary New Jersey residence.

Writing Company Guideline Revision

Currently the minimum dwelling value for the most preferred writing companies (Chubb Insurance Company of New Jersey and Great Northern) for a NJ non-coastal house is \$1 Million. With this change, the guideline is being amended to allow customers with non-coastal homes between \$750K and \$999K in the most preferred writing company if the customer has an accompanying NJ auto policy, pending all other guidelines are met.

For more information, please contact your Chubb underwriter or marketing specialist. We value your continued support, and thank you for partnering with Chubb.

Sincerely,

Chubb Personal Risk Services
