

Umbrella changes for Platinum Portfolio policyholders in New York

Please be advised the following changes have been approved by the New York Department of Insurance, effective April 11, 2017 for new business and June 11, 2017 for renewals. New rates will be available for quoting in the PLS system on March 25, 2017.

Quotes issued through PLS and effective prior to March 25, 2017 will maintain the existing rates. Quotes with an effective date of April 11, 2017 or later must be bound and issued through PLS prior to March 25, 2017 in order to maintain the existing rates. As a reminder, all new business is to be placed in the Chubb Masterpiece system, unless a special exception is noted in the [How to Transact Business in the new Chubb](#) document available on the Integration Resource Center on Abiz and @chubb.

Please Note: These changes apply only to Platinum Portfolio policies (Bankers Standard Insurance Company) and do not impact Masterpiece or Fireman's Fund policyholders.

If you have any questions or concerns, or if you need assistance in updating the effective date of a quote, please contact our Agency Services Center (800) 444-6161 (Option 4) and speak to one of our representatives who will be happy to assist you.
