Pre-Renewal Review

ACE Platinum Portfolio policies are available online 60 days prior to renewal and issue 45 days prior to renewal. We encourage you to use this 15 day window to review and modify policies before they are printed and mailed to the customer. Reviewing the policies in advance allows you to get ahead of the renewal process and ensure a smooth transition from year to year.

Please consider the following as part of your renewal review:

- Maximizing package credit opportunities by including home, auto, umbrella, and valuables
- Increasing umbrella and valuable article limits to provide enhanced coverage and to take advantage of policy discounts
- Consider scheduling valuable articles, which offers better coverage and provides savings on reduced contents coverage
- Review deductible options, keeping in mind that deductibles \$2,500 and over on homeowners and \$1,000 and over on auto are eligible for our unique Deductible Reserve feature
